

Curriculum Vitae Prof. Dr. Mojib Latif

Born	29 September 1954 in Hamburg
Married with	Elisabeth Latif
School	1961 - 1974 1974 Matriculation examination, Gymnasium Kaiser-Friedrich-Ufer, Hamburg
College/University	1974 - 1976 Business sciences, Hamburg University, 1976 - 1983 Meteorology, Hamburg University, 1983 Diploma in Meteorology
Ph.D.	1987 Ph.D. in Oceanography, Hamburg University
Habilitation	1989 Qualification as university lecturer in oceanography ('Habilitation'), Hamburg University
Professional experience	1983 - 1985 Scholarship of the Max-Planck-Society at the Max-Planck-Institute für Meteorologie (MPI), Hamburg, Germany
1985 - 1988	Scientist at the MPI
1989 - 2002	Senior scientist at the MPI
since 2003	Professor at the Institut für Meereskunde
since 2004	Professor at the Leibniz Institute of Marine Sciences (former Institut für Meereskunde)
since 2012	Professor at the Helmholtz Centre for Ocean Research Kiel (GEOMAR) (former Leibniz Institute of Marine Sciences)

Awards

- **2000** Sverdrup Gold Medal of the American Meteorological Society
- **2000** Max-Planck Award for public Science
- **2002** Fellow of the American Meteorological Society
- **2004** DUH-Umwelt-Medienpreis 2004: Kategorie
"Lebenswerk" (der Deutschen Umwelthilfe)
- **2006** NORBERT GERBIER - MUMM International Award
- **2009** Deutsche Bank-IFM-GEOMAR Meeresforschungspreis
- **2012** ASLI's Choice Award is an award for the best book of 2012 in
the fields of meteorology / climatology / atmospheric sciences

Scientific Journals

- **1993-1998** Editor Monthly Weather Review
- **1999-2003** Editor Journal of Climate

Guest Scientist

- **From 1990 to 1994:** Eight visits at Scripps Institution of Oceanography, La Jolla, California, USA
- **1995:** BMRC, Melbourne, Australia
- **1996:** CIMAS/RSMAS, Miami, Florida, USA
- **1996, 1998:** Scripps Institution of Oceanography, La Jolla, California, USA

Memberships

- Deutsche Meteorologische Gesellschaft(German Meteorological Society)
- American Meteorological Society (AMS)
- Akademie der Wissenschaften in Hamburg
- Deutsche Gesellschaft CLUB OF ROME
- **since 2012** Deputy Chairman of the German Climate Consortium e.V. (DKK)
- **since May 8, 2015** Chairman of the German Climate Consortium e.V. (DKK)

Working Groups and Committees

- **1987** TOGA Numerical Experimentation Group (NEG)
- **1989** Representative of the Federal Republic of Germany at the International TOGA Board
- **1991** Co-Chairman of the TOGA Numerical Experimentation Group (NEG)
- **1994** Member of the CLIVAR/GOALS Numerical Experimentation Group (NEG)
- **2001-2005** Member of the CLIVAR WGCM (Working Group on Global Coupled Modelling)
- **2001+2007** Contributing Author IPCC Reports 2001 and 2007
- **2006 - present** Member CAU Cluster of Excellence "The Future Ocean"
